

HE ARA HONOHONO – PATHWAYS TO MANA WHAKAHONO

HERE-TURI-KŌKA 2025

CONSIDERATIONS FOR IWI/HAPŪ

RANGAHAU

- Use Scoping a Mana Whakahono tool to identify purpose, partners, and key issues, including considering a collective approach.
- Use Understanding your existing agreements tool to consider how any existing documents or agreements could be strengthened.

KIA TAKATŪ

- Use Guidance to consult with whānau/hapū/iwi.
- Gather skills, resources, and funding required to develop your agreement.
- Use Drafting a Mana Whakahono tool to understand the possible content of your agreement.
- Consider the best timing to initiate an agreement.
- Communicate early with council.

WHAKAARA

- Determine who will initiate the agreement, which parties will be included, and whether the agreement will include delegations to hapū, marae etc.
- Send a letter of initiation to relevant councils, setting out: key issues, timing and location of hui, etc.

WHAKAHOKI

- If council has initiated, agree process to be adopted, time period for negotiations, and implementation.

WHAKAMENE

- Discuss and confirm agreement for the timeframe and process for negotiating a Mana Whakahono and how other authorities may be part of the process.

WHAKAWHITI KŌRERO

- Agree which authorities will enter into the Mana Whakahono.
- Understand how existing processes work for council.
- Prepare a draft Mana Whakahono agreement with examples of best practice processes for your iwi/hapū.
- Identify 'essential' provisions and provisions that could be areas for compromise.

WHAKAMANA

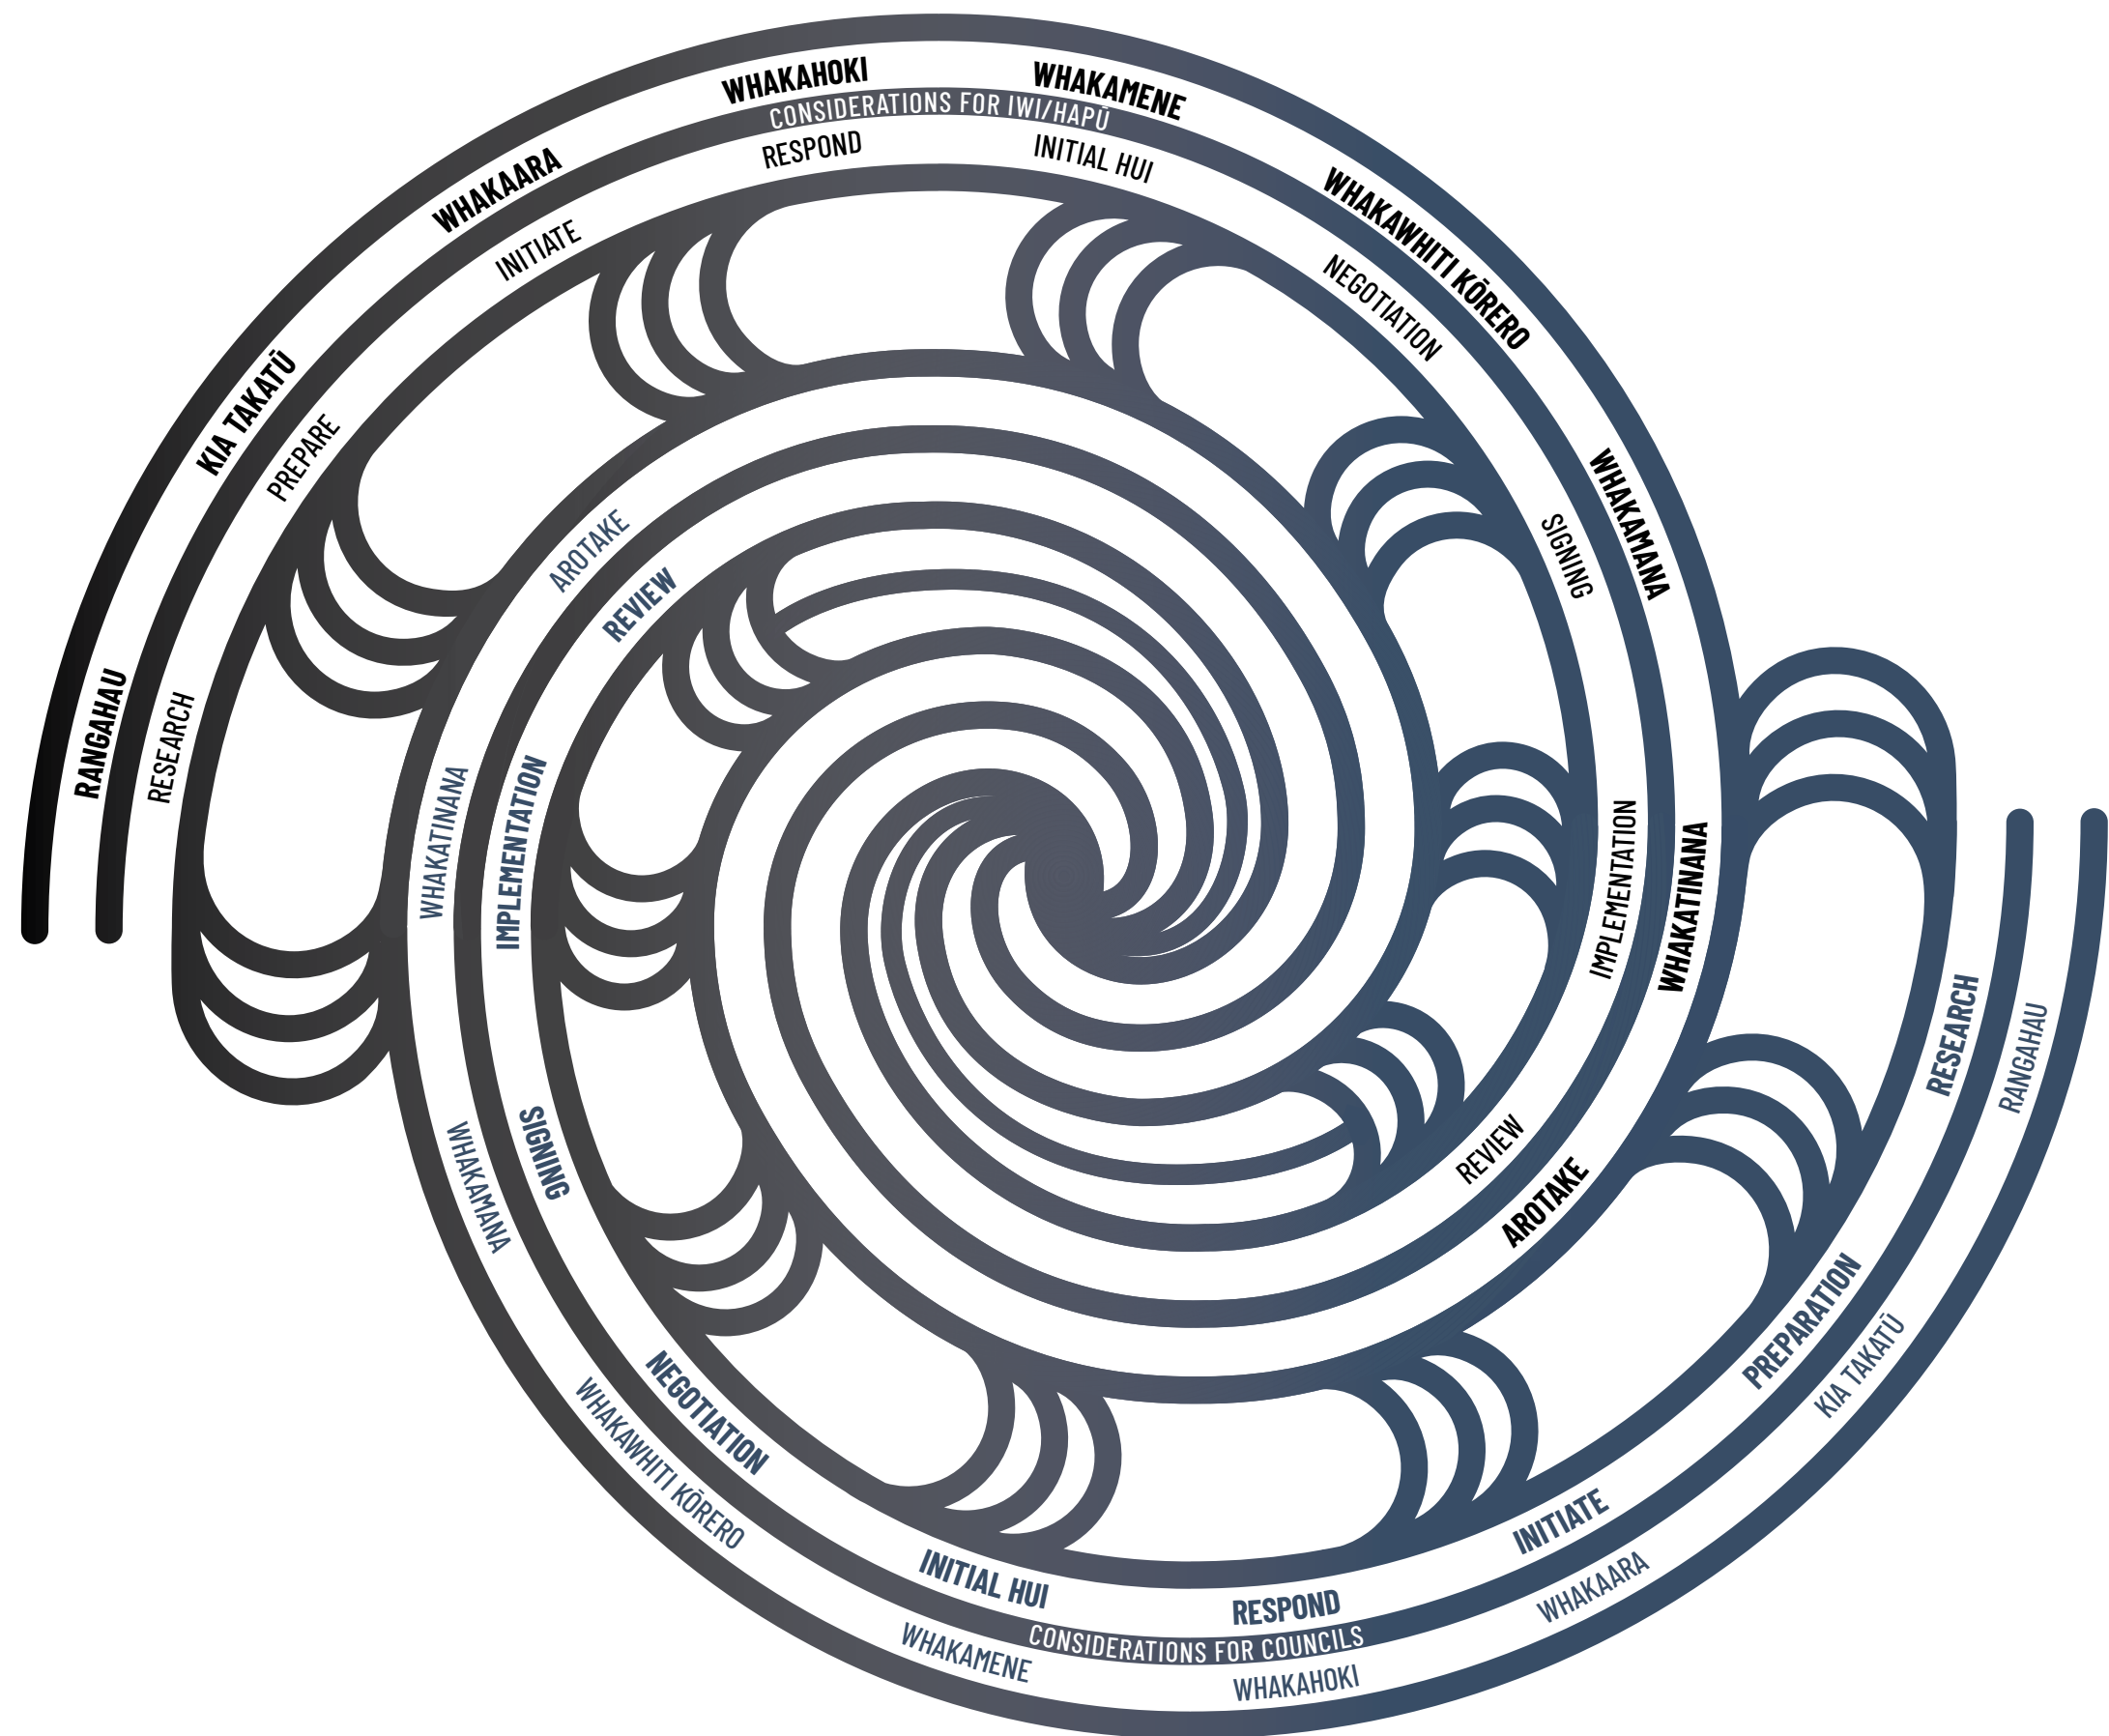

- Mana Whakahono agreement must be concluded within 18 months of initiation, unless parties agree otherwise..
- Determine process for sign-off by hapū or iwi.
- Publish and launch Mana Whakahono agreement.

WHAKATINANA

- Identify ongoing resources to support implementation of agreement.

AROTAKE

- Agree process for reviewing the agreement every six years, or sooner if there is new content to add to the agreement.
