

TE TĪMATATANGA

SCOPING A MANA WHAKAHONO AGREEMENT

This tool helps **iwi** and **hapū** consider whether a Mana Whakahono could help achieve your intentions for your rohe. Use this tool to understand what you might include in your agreement, and to begin planning the process for developing an agreement. (Tool 2 of 4)

SCOPING DECISION	NOTES
What are the key issues in your rohe?	
Do you have existing agreements with council, and what do they cover?	
What would be the purpose of your Mana Whakahono ā Rohe?	
What would be the scope of your Mana Whakahono ā Rohe?	
What are the key kaupapa you want to include in a Mana Whakahono ā Rohe?	

TE TĪMATATANGA

SCOPING A MANA

WHAKAHONO AGREEMENT

SCOPING DECISION	NOTES
Are there matters outside the RMA that you would like to include in a Mana Whakahono ā Rohe agreement?	
Are there matters relating to climate change adaptation, natural hazards or emergency management that you would like to include?	
What do you need to consider when deciding the right time to initiate or agree a Mana Whakahono ā Rohe?	
What funding, support, or skills are available to assist with developing a Mana Whakahono ā Rohe?
